

Twenty-third Annual Report

BAPTIST ORPHANAGE

PHILADELPHIA

From April 1, 1901

to April 1, 1902

EXTRACTS FROM THE CHARTER AND BY-LAWS OF THE ORPHANAGE.

NAME.

The name of the Corporation shall be "The Baptist Orphanage," by which name it shall have all the rights and powers conferred by the Act entitled, "An Act to authorize certain Corporations for charitable purposes to receive, or bind out, upon indenture, children committed to their charge, whose maintenance is unprovided for by their parents or guardians," approved May 25, A. D. 1878; and also, all the rights and powers which are otherwise incident to such Corporations.

PURPOSE.

The purpose for which the said Corporation is formed is to provide for—1. Orphan or half-orphan children of Baptist families. 2. Children, orphans or not orphans, of Baptist ministers or missionaries. 3. Orphan or half-orphan children, without regard to the religious belief of their parents.

MEMBERSHIP.

The payment of one dollar, or more, shall constitute a person an annual member of this Corporation; twenty-five dollars, a life member; one hundred dollars, a benefactor; and five hundred dollars, a patron. Members, benefactors, and patrons shall have the right to vote at the annual elections.

ENDOWMENT.

The payment of twenty-five hundred dollars at one time shall constitute a perpetual endowment to be called by such name as shall be designated by the donor. It shall confer the right of support, from time to time, to any child nominated by the donor and approved by the Board of Managers. The right of nomination shall also descend to such heir as shall be specified by the will of the donor.

The gift of one hundred and twenty-five dollars (\$125) from a church, Sunday-school, or individual, will support a child for one year.

ADMISSION OF CHILDREN.

The candidates for admission must be as described by the Charter—1. Orphan or half-orphan children of Baptist families. 2. Children, orphans or not orphans, of Baptist ministers or missionaries. 3. Orphan or half-orphan children, without regard to the religious belief of their parents.

The children received shall be not under two years of age, nor, unless in an exceptional case, over eight years for a boy, and ten years for a girl. They shall be given absolutely with full legal control, to the Orphanage. The Orphanage, however, reserves the right to return any child to its friends.

In extreme cases, other children may be received temporarily.

No child shall be admitted by the Board of Managers until after a thorough examination, and recommendation by both the Admission Committee and a reliable physician.

CARE OF THE CHILDREN.

While the children are in the Orphanage they shall be trained in good habits, industries, morals, and most thoroughly in religion and the distinctive principles of Baptists. This religious training must always be the great primary aim of the Orphanage.

The Managers shall aim to place the children in good homes, with *those only* who will religiously educate and train them wholly in the principles of Baptists. Both parents must be members of a Baptist church; in an exceptional case, this may be required of the mother only. The child must be legally adopted or received as one of the family.

All children for whom good homes cannot be secured shall be trained, educated, and instructed either under the direction of the Managers, or they may, when in their discretion it shall appear proper, hire or, with their consent, indenture the children, as apprentices or otherwise, during their minority, to such persons and such trades and employments as, in the judgment of the Managers, will be best. And over all such children the Managers shall continue a constant oversight, for their protection, during their minority.

TWENTY-THIRD ANNUAL REPORT

OF THE

BAPTIST ORPHANAGE

REPORT OF THE BOARD OF MANAGERS.

As we record the work of another year, we find in it much of toil and anxiety, but also cause for encouragement. We feel that it is a privilege to labor in this branch of the Master's vineyard, and the desire of our hearts is to fit these children, whom the Lord has entrusted to our care, to take their place in the ranks of useful men and women.

Admission Committee. Twenty-three children have been received into our Orphanage during the year. Eight have been placed in homes for a term of years, but are still under the control of the managers. Two boys have entered Girard College. Fifteen children have passed from our care to that of parents or guardians. One of our girls, Edith De Keiffer, passed into the higher life, aged five years. "The early lost, are early saved." Present number one hundred and one.

Education Committee. The health of the children has been such as to allow better attendance at school this year than last. For this we are especially thankful. In November, our efficient kindergarten teacher, Miss L. Herbert, left us to take a better position. Her place has been supplied by the election of Miss R. Gendell, a normal school graduate. A few years ago we started a training school for girls on a small scale, but according to our means, and with the hope of increasing its efficiency, as time and money would permit. It was proving in many ways satisfactory in the training of our older girls in systematic housekeeping, but the school had to be closed during the past year for lack of funds to carry it on.

We are indebted to the Publication Society for the papers, cards, and quarterlies they so kindly send to us all through the year, also to Mr. Chas. P. Vesper for his kind services in teaching

the children singing, and for the general interest in their welfare, which we greatly appreciate. The Western District of the B. Y. P. U. planned a very pleasant time for the children at Christmas, but as the Orphanage was closed to visitors, the entertainment had to be postponed, but they very kindly sent their gifts, which were used to advantage by the entertainment committee, and brought sunshine into many a little heart. During the year nineteen of our children have confessed Christ, and were baptized by the Rev. Jos. Bennett into the fellowship of the Angora Church, as Mr. Craig was too ill to perform the ceremony. We cannot speak too highly of the care, interest, and oversight shown the children by Rev. Mr. Craig. It was his earnest desire to have them come out on the Lord's side and take the stand in their youth. There is still a very marked interest among many of our smaller children. It is a true saying, "He shall gather the lambs in his bosom."

Wardrobe Committee. The clothing of so many children means something of work and expenditure of money. In this we are helped by many of our churches, societies, and individuals, who clothe one or more children, and especially by the Orphanage Needlework Union, which supplies so many articles that are needful for the wardrobe of the children. To all these friends we extend our sincere thanks.

Store Room Committee. The scholars of our schools can hardly realize what the Christmas donation means to the Orphanage. The shelves that were empty, are filled with abundance of good substantial food, and much that will last well through the year. All who helped to make the Christmas time joyous, we thank very heartily.

House Committee. We have still very faithful women in charge, real mothers, that try in every way to make our children a happy home, especially the holidays ; they are gala days, nothing being too much trouble to give them pleasure. This we feel is helpful in their training.

The Corner, edited by Aunt Mena, has been working in the same quiet way, and many have been enrolled in its ranks, to give substantial aid to "Our Orphanage." For full account of "Corner" and "Needlework Union," see page 48.

Our visiting physicians, Doctor Tull, Doctor Wendell, Doctor Twaddell, and Doctor Le Boutillier, have been faithful in discharge of their duties, each taking his appointed time. Our specialists, Doctors Fox and Diehl, have given the children time and attention, whenever they had occasion to visit them. Dr. C. H. Burnett, who was our aurist for many years, died Jan. 30, 1902. He was a very competent physician and very faithful, and we feel sad that his life-work was so soon ended. With sorrow we record the death of our beloved friend, Doctor Conard. He was every ready to speak a kind word for the Orphanage; he worked whilst it was day, and now the night has come and he rests from his labors, and his works stand for him.

As we come to the beginning of a new year of service, we feel like saying, "Hitherto hath the Lord helped us," and we will go forward in the strength of Him who hath said, "I will never leave thee nor forsake thee," and "I will guide thee with mine eye."

THE CHILDREN'S CORNER.

We are only little gleaners,
Stronger arms have gone before,
Carrying in the golden harvest
To enrich the Master's store.

We are only little gleaners,
But the Saviour, good and kind,
Always smiles when children serve him,
With the best that they can find.

DEAR CHILDREN : To you, and the many who have so kindly remembered the work of our little "Corner" during the past year, the children of the Orphanage send greeting.

Time in its onward march has brought us again at the close of another year's work for these orphaned ones. Once again we bid good-bye to the old year with its pleasant associations and hallowed memories, and send forth a glad welcome to the new, feeling assured that the past is a promise of the future, that He who hath led will lead. To him be all glory, and honor, and praise.

We thank the editors of the *Examiner* and *Commonwealth* who generously send our "Corner" to so many readers; and we would not forget our grateful acknowledgment to Gatchell & Manning, who have for several years provided the "Corner" with beautiful cuts which appear from time to time at the head of our column. All bills for these come marked "Complimentary." We wish also to make mention with thanks of the generous response from friends for Thanksgiving, Christmas, and New Year's dinners, not forgetting the contributors to the Outing Fund which afforded so much pleasure to the children during the warm summer days.

The Orphanage Needle Work Union still continues its work, which has far surpassed our expectations. The chairman of the Wardrobe Committee reports 6,504 articles received, an increase of 1,102 over last year, beside 700 carpet-balls. This committee unite with the "Corner" in expressing their grateful appreciation of the Directors of this Union. Let the good work go on and our homes be supplied not only with the wherewithal to clothe our orphaned ones, but with enough saved in the treasury for many other urgent demands. The banner school for 1902 is still the

Lehigh Avenue, which sends 1,491 articles to the Union. Circulars for the Union can be had free of charge by addressing Aunt Mena, 1420 Chestnut Street, Philadelphia, Pa.

During the year, the total receipts have been : \$1,050.27 in the Children's Fund ; \$169.26 for the Children's Endowment Fund ; making, with a balance on April 1, 1901, of \$385.10, a grand total of \$1,604.53, out of which has been expended \$1,305.68 for current expenses, and \$169.26 added to the Children's Endowment Fund, leaving a balance of \$129.69 in the treasury. The expenditures and amount of Endowment Fund are included in the credited report of the treasurer of the Board of Managers. Below we give an itemized report of contributions.

The Children's Endowment Fund is slowly creeping up. Only \$1,727.79 more is needed to make the \$5,000. Are there not some who would like to help by a thank-offering or a memorial gift? Remember, this will care for two little ones as long as the Orphanage exists, and will be a living reality of the children's work.

To the friends who have caught the inspiration of the children and have found their way into the "Corner," helping on the work, we extend our sincere thanks. What should we do without the loving, generous hearts and the pleading, tender voices of the children? Are not their pleas and gifts an incentive to us who are older, inspiring us with the very spirit of Him who went about doing good? While we say God bless the children's work for children, let us not forget that the Orphanage is the child of the denomination and calls for help from every loyal Baptist. The message from the Father is, "These are my little ones entrusted to your care." It may be that for many only a cup of cold water is required; for others out of their abundance must be given. Whatever is our part, let us prove faithful to our trust.

Dear children, may your work the coming year be crowned with richest blessings from the loving Father's hand. For this we pray,

Saviour, bless thy little gleaners,
And when angel reapers come,
With the wheat within thy garner
May they find a welcome home.

In behalf of the children,

AUNT MENA.
